REMARKS**BEST AVAILABLE COPY**

In response to a telephone interview conducted with the Examiner on July 6, 2006, Applicant's representative presents the present supplemental amendment.

In the present amendment, new claim 20 has been added. New claim 20 was inadvertently omitted from the previous amendment filed on May 31, 2006 for the present application. New claim 20 was originally inadvertently filed as a second occurrence of claim 19, such that the originally filed application included two occurrences of claim 19. Accordingly, the second occurrence of claim 19 has been canceled, and is being presented as new claim 20. Applicant's representative respectfully submits that the comments set forth in the previous amendment filed on May 31, 2006, fully support the addition of new claim 20.
